DATA PACK FOR ADOPTION OF A GRANDCHILD

Dear Prospective Client:

We understand you are interested in talking with us about adoption of your grandchild. We will be happy to discuss this with you, but please bear in mind that even the simplest adoption procedure can develop complications. These problems usually revolve around the natural parents' refusal to relinquish all parental rights or the Court being convinced that the adoptive home is suitable.

Your case will require an initial personal consultation so that I can understand the facts of your case and advise you on your rights and duties. I charge \$300 for an initial consultation, during which I expect to give you a really good idea of what you can expect to happen in your divorce.

Before we can begin representing you, the Bar Association and this firm require (1) a signed contract which explains our respective obligations and (2) a legal engagement fee plus initial costs prior to instituting any action except the initial consultation. The size of the engagement fee required will be determined after our initial consultation and will be based on my estimation of the amount of my time needed to resolve your case. My hourly rate in most cases is \$300 per hour.

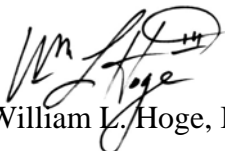

Warning: In certain instances, "simple" adoption matters can be resolved with a moderate amount of attorney time. Oftentimes, they are completed pursuant to the Engagement Agreement. However, this should not be construed as an offer or guarantee to handle your particular case for any "set" fee.

You will be billed for the amount of professional time required to adequately represent your interests in this matter. We would advise you that anything and everything you do to complete the attached questionnaire and to provide any substantiating documentation will help to reduce the amount of attorney and paralegal time required in this action. Please help us help you to contain your legal expense.

By completing the attached questionnaire, you can provide us with the information we need to pursue this situation. Please be as complete and accurate as possible.

If you need more space for any answers, please continue your response on the back of this form. If any questions do not apply to your situation, please indicate "(N/A)" or "Not Applicable". This information will, of course, be kept confidential.

Very truly yours,

William L. Hoge, III
