POST-DIVORCE DATAPACK

Dear Prospective Client:

We understand you are interested in talking with us about certain serious matters that have arisen subsequent to your divorce. Even the simplest post-divorce matters can become complicated. Those difficulties usually revolve around (1) child support, (2) custody, (3) visitation, (4) maintenance or (5) payment of debts.

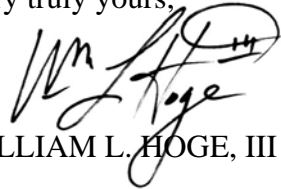

Your case will require an initial personal consultation so that we can understand the facts of your case and advise you on your rights and duties. We provide an initial consultation for **\$250**. Frankly, in most cases, we can then give you a good idea of what will happen in your case.

Before we can begin representing you, the Bar Association and this firm require (1) a signed contract which explains our respective obligations and (2) receipt of your engagement fee prior to instituting any action except the initial consultation. The size of the engagement fee required will be determined after our initial consultation and will be based on my estimation of the amount of my time needed to resolve your case. My standard hourly rate in most cases is \$250 per hour.

You will be billed for the amount of professional time required to adequately represent your interests in this matter. Anything and everything you do to complete the attached questionnaire and to provide any substantiating documentation will help to reduce the amount of attorney and paralegal time required in this action. We want to help you contain your legal expense. By completing the attached questionnaire, you can provide us with the information we need to pursue your post-divorce situation. Please be as complete and accurate as possible.

If you need more space for any answers, please continue your response on the back of this form. If any questions do not apply to your situation, please indicate "(N/A)" or "Not Applicable". This information will, of course, be kept confidential.

Very truly yours,
